Setters – With Kate Smith – TBD

I have attempted to put these with as little tournaments close to you as possible (might be some conflicts with 16u/17u liberos too. Please make this available to players on your team and make them aware of these clinics!!

We will be providing updates on what we are working on and a curriculum outlining the session structure and wording being used!

All team clinics can include setters! Everyone is invited on that team to go.
